LAWRENCE BLOUGH EXHIBITION & OPENING LECTURE: SK DESIGN WEEK PRE-EVENT

SASKATOON

Professor Lawrence Blough, principal of GRAFTWORKS Design Research and professor at Pratt Institute School of Architecture, will give a lecture and host an opening reception of his new exhibition at the Kenderdine Art Gallery. Blough is the inaugural 2018–19 Structurist Fellow and the recipient of a new Creative Research Grant at USask. The fellowship was established to propagate the legacy of *The Structurist*, an international interdisciplinary journal founded in 1960 by Eli Bornstein that addresses art, architecture, ecology, culture and communication.

RSVP by Friday, October 11, to dean.artsandscience@usask.ca

DESIGN COUNCIL OF SASKATCHEWAN

Design Council of Saskatchewan (DCS) is a volunteer organization formed in 1983. The council is a collective of six provincial design associations.

They represent design professionals working in the disciplines of architecture, engineering, graphic design, interior design, landscape architecture and planning.

DCS was established to celebrate and promote public awareness and understanding of professional design in Saskatchewan.

SASKATCHEWAN DESIGN WEEK

Hosting Saskatchewan Design Week is a major initiative of the council.

Saskatchewan Design Week is a biennial event and invitation to learn about professional design through a series of free lectures and events.

PREMIER'S AWARDS OF EXCELLENCE IN DESIGN

Held in conjunction with Design Week, the Premier's Awards of Excellence in Design recognizes great design being done right here in Saskatchewan.
